

Graphic Studio Dublin Fine Art Print Residency 2019 Funded by Dublin City Council

Application Form – To be submitted by Tuesday 16th April 2019 at 4pm

As part of an ongoing commitment to professional artists, Graphic Studio Dublin, in partnership with Dublin City Council, is offering a fine art print residency at Graphic Studio Dublin. It is planned that the residency will take place in April or May 2019 at a date to be agreed with the artist.

Previous recipients include Cian McLoughlin in 2017 & Kieran Crowley in 2018.

This residency will offer to an emerging or established artist in any discipline but who is interested in exploring print processes, the opportunity to make a fine art print with the guidance and assistance of a Master Printmaker at Graphic Studio Dublin. The week-long residency will provide an ideal environment for the development of a creative project in printmaking and an opportunity to network with other artists. The artist will produce a finished print, a limited edition of which is then completed for the artist by the studio. The work will be displayed along with members work in Graphic Studio Gallery during the following year.

The professional aims and objectives of the successful candidate will be continually assessed during the residency to ensure the artist gains the maximum benefit from their time. The collaborative nature of being part of a collective print studio and working with a professional printmaker will be of enormous assistance to the artist.

The residency will include:

- A short induction/training course in the use of equipment, health & safety, and models of good practice in a collective fine art print studio.
- The assistance and guidance of an experienced printmaker in making a multi-colour print using a pre-prepared drawing/painting as a starting point.
- Professional studio support with regard to technical processes, and artistic development.
- Printing a small edition of the finished work.
- The Master Printmaker will advise as to print methodologies, and assist the artist in all possible ways to professionally fulfill their objectives during the residency.
- The residency will be documented for the artist, for Dublin City Council Arts Office and Graphic Studio Dublin. The finished work will be exhibited in Graphic Studio Gallery.
- The recipient may be asked to give a public presentation on their practice and how the residency has benefitted them.

Criteria:

The applicant must be an emerging or established artist with an interest in printmaking. No printmaking experience is necessary. **To be eligible to apply applicants must have been brought up, have studied, or currently reside in Dublin City Council administrative area.**
